Did you know?

***IMPORTANT** - The Annual Election Meeting is Feb 21 at 7pm in the clubhouse. If you have not done so already, and will not be attending this meeting, please return your ballot and proxy to the office by **Feb. 21.**

- We have a **Golf Club!** If you are interested in playing golf, contact Jerry Feld geraldfeld@gmail.com or (508)-965-0217
- Many thanks to Kathy Bahns (E-409) and Cindy Schory (E-109), for replacing the worn out chairs in the clubhouse with brand new ones.
- It is against our rules to feed the wild animals, such as the ducks. Here are many reasons why:

**Please . . .
don't feed
waterfowl.**

REGULAR FEEDING CAN CAUSE:

- Poor nutrition
- Spread of disease
- Unnatural behavior
- Pollution
- Overcrowding
- Delayed migration

Many people enjoy feeding waterfowl, but the effects of this seemingly generous act can be harmful. If you care about waterfowl, please stop feeding them . . . allow them to return to their natural habits.

Support Federal, State, and Private Organizations and their efforts to conserve waterfowl and their natural habitats.

For more information about the effects of feeding waterfowl, contact the New York State Department of Environmental Conservation office nearest you.

Keep wildlife wild.

Improvement Projects

- Painting of all buildings is scheduled for April.

- We have eight (8) people committed to renting a garage unit, so plans are underway to construct another garage building in front of the G Building.

*Also, please be careful when driving by the garage units, watching out for people who may be exiting their unit. We have had some near misses, so please be careful.
