

### MEDECO KEYS

Hurricane Season is just around the corner and will be here before you know it! Make sure you have a Medeco Key for the lobby and stairwell doors in case of power outages!

They are convenient to have for when the elevator is out-of-order, too!

Medeco keys can be purchased at the office for \$50.

*(Check or Money Orders Only)*

### POOL UMBRELLA'S

During windy weather, please be careful opening the pool umbrellas!

Strong gusts of wind could cause the umbrellas to break away from tables and fly into others or possible property damage.

In addition, please remember to close the umbrellas when you leave the pool area!

### LOCAL CONTRACTORS

If you are looking for a local contractor for repairs with plumbing, air conditioning, appliances, etc., then don't forget to check out our list on the website!

On the *website homepage*, click onto *Community Services* and scroll down to "*Local Contractors*"

### STAIRWELL DOORS

Please make sure that the stairwell doors do not **SLAM!** when closing!

The slamming of the doors are very loud & disturbing to the units near the stairwells.

**!** For security, please do not use any props to keep the doors open!
