A new City Ordinance was issued from the City of Delray Beach requiring that all 5 or more story buildings must have AED Defibrillators installed on every other floor.

Lakeside Association has installed the AED defibrillators in all buildings on the 1st, 3rd and 5th floors.

Also included in the cabinets are First Aid kits and Stop the Bleed kits!

The Board of Directors approved a new rule to be added to the Schedule "A" to By-Laws - Rules and Regulations!

13. Facilities. No running or ball playing in the pool & on the pool deck.

The Association hired a new tree trimming company, **Cayco Landscaping**, they trimmed all Palm and Hardwood trees on the property in July.

As of August 1st, the building F & G (106) rooms have been converted into storage units!

Building F storage rooms and cages are full, but there are 3 bike spots available!

Building G has medium and small rooms, and 3 cages available!
